RE: Docket 2006-156-E: Application of Duke Power Company LLC d/b/a Duke Energy Carolinas, LLC for Approval of an Executory Transfer and Sale of Property
Correction of Application

Dear Ms. Boyd:

A review of our Application as filed in the above referenced Docket, shows one typo on page three, paragraph seven, line thirteen. Please reference the sentence that reads, "EEI and NERC actively participated in the development of the Sharing Agreement..." That sentence should correctly read, "EEI and FERC actively participated in the development of the Sharing Agreement, and EEI has take the lead in promoting and implementing the Sharing Agreement with various utilities across the country."

A corrected page three of the Application referenced hereinabove is attached. An original and one copy will be provided by way of hand delivery today. Please let me know if you have any questions or concerns.

With kind regards, I am

Sincerely,

RLW/dss
